

Aluminum Camera Housing

Advanced Driver-Assistance Systems

Details & Features

- Aluminum Camera Housing for monocular vehicle camera
- Housing and cover set
- Minimizing/Eliminating Machining
- High production capacity
- Anodizing available
- Various Custom Shapes

Advantages of Aluminum

- Superior Heat Dissipation
- High Heat Resistance
- Excellent Strength
- Outstanding UV Resistance

Aluminum vs Resin

	Aluminum	Resin
Heat Conductivity (Heat Dissipation)	☉ Very High	△ Low
Heat Resistance	○ High	△ Low
Strength	○ High	△ Low
UV Resistance	☉ Very High	× Very Low
